Moderator: Gentlemen, we are gathered here before the television cameras of the nation to give the American public an insight into the so-called "right wing" in America. I would like ...

Welch: Just a minute, Mr. Moderator, I OBJECT to including this lunatic, Rockwell, in the "right wing". Rockwell is a HITLERITE, a HATER of the worst kind. He is ...

Moderator: Well, I thought ALL of you were "haters", Mr. Welch. Didn't you get thousands of threatening letters and telegrams after the assassination from people because you have been preaching HATE?

Welch: Of course not! That's ridiculous! I DID get those letters and telegrams, but those people were all mixed up! I am not against anybody for race or creed or that sort of thing. I think Negroes are equal and my best friends are of the Jewish faith. How can I be a "hater"?

Moderator: Well, aren't you for hating Communism? Aren't you a rabid ANTI-Communist, like McCarthy? Isn't that preaching HATE of Communism? Aren't you dividing our people with hate?

Welch: Well, Communism is an evil thing, an enemy, out to destroy us. I don't see anything wrong with hating the ENEMY! I DO hate Communism. Most Americans do, I think.

Moderator: Then you ARE, by definition, a "HATER", Mr. Welch. You admit it. You HATE! ... but I must apologize. I didn't mean to get into a colloquy with any one of you. We are here so you can all present your particular viewpoints. Let's start with the man who is supposed to be the worst of the "haters", George Lincoln Rockwell. Mr. Rockwell, what is it you are trying to do?

Rockwell: I am trying to do two basic things. (1) Unify and protect the White Race and (2) reinstate and protect the American Constitutional Republic. I might also add that, while I am not a Christian, in the regular sense of the word--while I don't believe in the miracles and all that sort of thing, I DO believe in what is called the Christian "ethic"--and especially I believe this is a CHRISTIAN COUNTRY and it has the right to STAY Christian. What would people think of me if I went to Israel and started to agitate to get rid of JEWISH customs and rituals as the Jews are trying to get rid of Christmas carols here, etc.? Thus, in essence, I am fighting to preserve the WHITE, CHRISTIAN, American, Consti- ...

Buckley: Tut! Tut! Tut! HERE now! Mr. Moderator, I came here for an INTELLECTUAL discussion and Mr. Rockwell persists in his usual demagoguery. We all know Rockwell is a SOCIALIST! His very name, "Nazi", stands for "National SOCIALIST"! There is no difference between MARXIST Socialism and NATIONAL Socialism. This is all rather ennervating you know. Really. My aide, here, Willie Schlamm is a find Jewish fellow and a conservative. He tells me his synagogue was quite rabidly on the side of Joe McCarthy and favored General MacArthur for President! Now how can this churlish oaf, this hoodlum and his bully-boys--how can this unspeakable Rockwell fellow be permitted to share TV time with us and spout his wicked HATE?

Moderator: Well, I'm glad you mentioned that, Mr. Buckley! I want the listeners to know that Mr. Weinbaum, the director of the network, heartily agrees with your position in this particular matter. Mr. Weinbaum does not share YOUR views, of course--as a matter of fact, Mr. Weinbaum favors either Adlai Stevenson or Paul Robeson for President--but all good Americans, regardless of race, color or creed, despise Rockwell and everything he stands for. I want you to know that.

Welch: YES! I want it known that I despise Rockwell's Hitlerism and Swastika, too. I'm not a Nazi!

Buckley & Fields: (Shouting) We're not Nazis either. We HATE Nazis! We're not Nazis (Welch joins the shouting) We're NOT NAZIS! NOT NAZIS! (Buckley begins to stamp his foot) NOT NAZIS! (Welch's voice begins to crack as he screams) NOT NAZIS! (Fields is beating on the wall with his fists) NOT NAZIS! NOT NAZIS! We're NOT ...

Moderator: Here! HERE! Just a minute, gentlemen. Nobody called you Nazis. Let's calm down and . . .

Buckley: Yes, he DID, he DID call us Nazis! Didn't he? (Looking at Fields and Welch) Rockwell is an AGENT, a provocateur. He's trying to "tie us in" with NAZIS! We're NOT NAZIS! I love Jews! My best friends are black! I'm not a Nazi! (shakes his fist at Moderator) See here, I didn't come here to be insulted by this ruffian! I insist . . .

Moderator: Mr. Buckley, MR. Buckley, yes, of course, yes, Rockwell is the only "Nazi" here. Nobody is calling you a Nazi--please come down off the piano, Mr. Buckley, come on down, now, there's a good boy! Yes. Now let's get on with this panel discussion. We can all agree right off that we all hate Nazism. I hate it; Mr. Buckley hates it; Mr. Fields hates it; and Mr. Welch hates it. And, of course, Mr. Weinbaum who owns the network hates it. Mr. Weinbaum, in fact, is a staunch advocate of LOVE.

Rockwell: Excuse me, I thought this was supposed to be a RIGHT-wing discussion, not a love-fest. I was trying to explain . . .

Moderator: Yes, but you started preaching about hate and advocating gassing Mr. Weinbaum. I can't have you insulting Mr. Wrinbaum who owns . . .

Rockwell: Gas Weinbaum!? --who said anything about gassing Weinbaum? Might not be a bad idea but I didn't say it. You did.

Moderator: Mr. Rockwell, we will tolerate none of your insults and bigoted hatred. Now either stick to the issue or I will have to ask you to leave (looking nervously at storm-troopers sitting behind him).

Rockwell: If anybody is getting insulted, it is me. But I am used to it. Let me make my position clear. We electrocuted the Rosenbergs, not because they were Jews, if you remember, but because these racial Jews betrayed the atom and hydrogen bomb to the Soviet Union--they were SPIES for Communism, and more than 85% of our Communist leaders and spies have been Jews. It is a . . .

Welch: (Under his breath) He's a dirty neutralizer! A NEUTRALIZER! (getting louder) A NEUTRALIZER! (screaming) Rockwell's an anti-semitic NEUTRALIZER right from MOSCOW! He's trying to neutalize the John Birch Society! A neutralizer! NEUTRALIZER! NEUTRALIZER! NEU-. . .

Moderator: (Trying to get him stopped) Mr. Welch! Ah, MISTER Welch, Mister WELCH! Please, Mr. Welch! Mr. WELCH!

Welch: ("coming to") Oh! Ohhh!, pardon me. (Smiles weakly) Yes, yes.

Buckley: Mr. Moderator, it occurs to my cogitative faculties that we are, perhaps, permitting an unfortunate bifurcation in our confabulation, in that, where we should proceed in consequetion, we are . . .

Fields: Yeh. He's right! We gotta do like he says. We got it all in the Thunderbolt. (Looking out of corners of eyes) I think the F. B. I. is getting in here someplace. I just felt a kick in the shins. But we will win. We gonna win! (Waves Confederate flag)

Moderator: Well, I don't think we're getting anyplace this way. Let's try a new approach, gentlemen.

Buckley: I must object most strenuously to your inclusion of that ruffian Rockwell in the term "gentlemen".

Moderator: Perhaps you're right, Mr. Buckley, heh heh. Haurmmph! Well, O--what I was about to suggest is a different way of going at this thing. You three, Mr. Welch, Mr. Buckley and Mr. Fields seem to be more down on Rockwell and his Nazis than anything else. I think it would be more enlightening for the listeners--and I think

Mr. Weinbaum would like it too--if you gentlemen would explain what it is about Rockwell that makes you hate him and Nazism so much.

Buckley: GOOD! Oh GOOD! Yes! I'm for that! Let's FIX Rockwell!

Welch: Yes, let's. He's been neutralizing me with his anti-semitism on orders from Moscow, for three years, and I want a good chance to show him up for the Red SPY he is! I think he is working for Eisenhower!

Fields: Yeh. We're gonna WIN! (Waves Confederate flag) We're the biggest third party! Yeh!

Moderator: All right, how about you, Mr. Buckley--how about you stating first your position? Give it to this Nazi beast good.

Buckley: (Rubbing hands and smirking) Very well. It will be a pleasure. Now, Rockwell, (raising head and looking down nose) I, sir, am a Conservative. I am for more individual freedom and less big government. THAT, sir, is what the right wing is all about.

Welch: Hear! Hear!

Fields: States Rights! Yeh! (Waves Confederate flag)

Buckley: (Continuing) It's really quite simple. The RIGHT is for more freedom for the individual. The left is for big government. Now, since you Nazis are authoritarians, it is quite obvious that you COULDN'T be "rightists", isn't it, my good man? (Raises eyebrows and closes eyes in triumph) You are the very same thing as the Communists. You're both forms of the same thing. You're both for less freedom and more government. I'm for as much individual freedom as possible. I am a rightist. YOU are a LEFTIST! You are WORSE than a self-admitted Communist. You are a provocateur.

Rockwell: Mr. Buckley, may I ask you a couple of questions?

Buckley: By all means, do.

Rockwell: Are you familiar with the historical origins of the terms "left" and "right"?

Buckley: (Face clouding a bit) Of course. Everybody knows THAT.

Rockwell: Would you tell us how the terms "left" and "right" originated?

Buckley: What's that got to do with it?

Rockwell: You promised to answer the questions. Do you object to defining your own terms?

Buckley: Certainly not, Rockwell. Don't try to play games with me.

Rockwell: Well, then, will you please tell us how the terms "left" and "right" originated?

Buckley: (Shifting around in chair. Looks at faces of others. No help) Wellll--But I don't see what this has to do with you being a rotten, hate-filled, totalitarian, Jew-killing NAZI! Your doctrines are repulsive to me.

Rockwell: Are you trying to squirm out of this, Mr. Buckley? Please just answer or people will think you either can't answer or you are afraid to.

Buckley: Afraid! What! Afraid of such a cretin ruffian such as you! Never!

Rockwell: Then answer, please. How did the terms "left" and "right" originate?

Buckley: (Desperately--then resigned) Well, in the early French Parliament, in the time of the kings, the members who favored more freedom for the people sat on the, -er.

ah, --the left, and the members who favored stronger central powers for the King sat on the right.

Rockwell: Thank you, Mr. Buckley, you are a credit to Yale. You have correctly stated that "left" means a position favoring more freedom and liberty for the people and "right" means more authority for the King--or the central government. A rightist, by any sane definition believes in authority and order, while a leftist favors maximum freedom for the individual, even at the cost of order. You yourself have provided this definition and it is the right one.

Buckley: (Perspiring and scowling--almost in a squeak) Rockwell, you are a despicable twister of my words. That's not what I said. You are twisting my words. You Nazis are vile. Gas chambers and concentration camps won't help you. Think of those six million dead Jewish persons! How can you DO this?

Rockwell: Mr. Buckley, I have showed you, using your own definition that it is YOU and Mr. Welch who are LEFTISTS, by your OWN definition. And by scientific definition, I am indeed a Rightist.

Welch: How DARE you call me a "leftist", you cad! Rockwell, you are a villain! I am a rightist, no matter WHAT you say or how you twist things!

Rockwell: Of COURSE you're REALLY a "rightist", Mr. Welch. And you, too, Mr. Buckley. And so am I.

Fields: Me too! I am for the Right! And we are the biggest third party! (Waves Confederate flag)

Rockwell: Yes, you too, Mr. Fields. We are ALL "rightists". The only difference is that I am honest about it, and you gentlemen are all so afraid of being accused of being "Fascists" and "Nazis" by the Jews that you have kidded yourselves into believing that it is only "liberty" and "freedom" you want. Way down deep, you all know as well as I do that you want what I openly admit I want; POWER, POWER to lay our hands on the dirty sell-out politicians and outright traitors who have stolen our American Republic, POWER to take back our White Christian America and run this country for the people who BUILT it, not the gang of foreign and scummy crooks who have swiped it by their money-power and subversion. You are . . .

Buckley: (Rising from his chair) I will NOT be insulted this way by this Hitlerite oaf! Hitler killed CATHOLICS, you know! (Looks around. Nobody says anything. Sits down again)

Rockwell: The trouble for all three of you gentlemen began when the Jews FIRST started their lies about Adolf Hitler, even before World War II, when Hitler was trying so hard to STOP the war, and the Jews were whipping up mad hatred of Hitler to get us all to stop Hitler's CHRISTIAN State. The few who knew the score, like Lindberg, Henry Ford, Father Coughlin, were beaten down so unmercifully for daring to tell the truth that the truth was silenced and lies were enshrined over our whole nation by Franklin D. Roosevelt and his gang of Jews, Communists and utterly rotten politicians. Once we went along with the lies, we have had to tell more and more just to keep up with our OWN lies, let alone the lies of the Jews. Now even the Pope is suffering from going along with these lies. The Jews have out a play called "The Deputy", and . . .

Buckley: (Scowling) It's vile! Awful!

Rockwell: Yes, I agree. Since we have all permitted the Jews to get away with the fantastic big-lie to end all big-lies that Hitler "gassed" six million Jews, now they are attacking the Pope for not doing anything to stop it. The reply is that it just DIDN'T HAPPEN. But that's the truth, and it would mean facing the wrath of world Jewry. So now there are MORE lies to explain what didn't happen in the first place. Then the Jews will want more explanations. The remedy, gentlemen, is not MORE lies, but to go back to the simple, beautiful, old-fashioned TRUTH, even if it means losing sponsors or newsstands or circulation and money.

Fields: I've always told the truth about them Jews! We advocate shipping them to Madagascar. That's the program, yes sir! (Waves Confederate flag)

Rockwell: That's true. Fields has had the guts to tell the truth and fight for it. And now they are trying to send him to a Federal prison for it! But the "conservatives" who pretend there is no Jewish and no Negro problem are so frightened of losing their money and their material comfort and wealth that they keep HELPING the Jews wreck the nation with lies. We got into World War II, we were told, to "save Poland, Czechoslovakia, Hungary, Austria, etc.", from the Nazi tyrants. So who has these countries, now that millions of us died and were crippled "saving them"? COMMUNIST TYRANNY! And who has Rumania, Poland, East Germany, North Korea--and even CUBA, ninety miles away? Not Hitler! Germany believed the White Race was the "Master race", and most White Men I know agree. Germany was Christian, and most Americans I know are Christians. Germany was anti-Communist, and most Americans are anti-Communists. Germany wanted to fight RUSSIA, so we attacked Germany in the rear while they were wiping out our worst enemies. We actually JOINED a bunch of atheist Communists, who sneer at race and boast they will bury us, to wipe out our Christian, German BROTHERS! We were on the WRONG side of World War II.

Fields: You're right there, Rockwell (getting carried away), Hitler was ... er, ah ... (thinking) But Nazism is GERMAN, and we are Americans! We don't want any foreign symbols here! It's un-American! We're 1000% AMERICAN! (Waves Confederate flag)

Rockwell: I take it you are blasting me for using the Swastika because it is a "foreign symbol". Well it WAS. I left Brown University to go fight it when it was a "German" symbol. But it is no longer a "German" symbol. It was the symbol of the WHITE RACE long before Hitler picked it up; that's why he chose it; and I think it's about time we have a symbol and some unity for OUR race, as the Jews do for their race in their Star of David.

Fields: The Swastika is a foreign symbol. It ain't American!

Rockwell: You're a Christian, aren't you, Mr. Fields?

Fields: Sure! Our Leader is Jesus Christ!

Rockwell: Good. I agree that's a good thing. But do you remember where that symbol of Christianity came from, Mr. Fields? Was it from AMERICA?

Fields: No, I don't guess so. The Cross came from Palestine--or Jew Israel, now, I guess.

Rockwell: Right! But just because you are a Christian and the Christian cross came from Israel, you don't think of yourself as a JEW, do you--or as an Israeli?

Fields: JEW! ME! --a JEW! I oughta bust you one, Rockwell, and I could do it. I'm an AMERICAN, 2000% and you KNOW it! I am running the biggest, all-American third Party!

Rockwell: I know. Of course you're an American. The Cross was once the symbol of a group of Jews, but I don't claim for a moment that YOU are a Jew because you use this Jewish symbol. And by the same token, you cannot claim I am a "German" because I use a symbol which once came from Germany, like the Cross came from Israel.

Fields: All that sweet talk means nothing one way or the other. We've got to WIN! We've got to fight the Communist Jews! We've got ...

Welch: ANOTHER neutralizer! The place is full of these anti-Semitic neutralizers from Moscow! This has got to stop!

Fields: If you don't mind, Mr. Welch, I've never been in Moscow in my life, and ...

Welch: That's what they ALL say. Sure, I know! You're "2000% American!" Go ahead. Wave your Confederate flag. Everybody in MY outfit is on to YOU, Mr. Fields--more likely Fieldskowsky! The COMMUNISTS are the enemy, and they are anti-Semitic. They're persecuting Jews in Moscow just like you want to do, Mr. Field-KOWSKY. Moscow has issued ORDERS to you, haven't they? Your pals! You're to "tie me in with anti-Semitism" to NEUTRALIZE me, aren't you? Well, we're on to YOUR game, Mr. provocateur!

Fields: You Yankee creep! Are you calling me a COMMUNIST? Don't you know, you poor old duffer, they're trying to throw me in a Federal PRISON right now. Does that sound like I am an "agent" or a "neutralizer", or whatever you call it?

Rockwell: Excuse me, Mr. Fields, but you have done the same thing to ME! This is the kind of damned foolishness I think we ought to cut out. The JEWS are the ones who believe in fighting with lies. I have never seen how we could beat the Jews at their own game. Yet the whole right wing goes on lying to everybody, including itself, as I showed Mr. Buckley, year after year. The plain Republicans suspect the Birchers of being "agents" out to "smear them". The Birchers accuse anti-Semites of being "neutralizers", out to "smear" them. And the anti-Semites--along with almost EVERYBODY in the "right wing" ALL jump on me as an "agent" trying to smear them. I think it's about time we start sticking together and standing up for the truth.

Fields: Well, you've got a point there, Rockwell, but it's too dangerous. People won't accept the Swastika and all that Hitlerism.

Rockwell: Neither would they accept the Cross and all that "Christism" 2,000 years ago. But the Christians were RIGHT and they stuck to the truth, not what was "easy" or might promise a quick victory. They didn't pretend they weren't Christians; they were PROUD OF IT, even if it meant death.

Buckley: Rockwell, my good man, all your ravings and histrionics can't hide the fact that our problem is NOT caused by our Negro friends or just "Jews"--I have a lot of good Jewish conservatives like Goldwater helping me. Our problem is caused by the LIBERALS, the "liberal establishment". And Liberals can be beaten only by Conservatives.

Welch: That's right! Yessir! I agr...

Buckley: Not YOU, Mr. Welch! You are a wild man, on the lunatic fringe. You think even IKE might be a Red. It is men like you who neutralize good fighters like ME. You are a neutraliz...

Welch: ME! --I am a neutralizer! I--why--AH!---(choking and sputtering) this is too much, I...

Buckley: Actually, Mr. Welch, you are such a neutralizer of my efforts, it would be better if you stepped down as suggested by Mr. Goldberger, --er, --GoldWATER. Your Society is ...

Rockwell: Excuse me, Mr. Buckley, your attack was upon me, and I would like to answer. You claim the enemy is the "liberals" and can only be beaten by "conservatives". This would be true if our opposition were only the "liberals". But it is NOT just "liberals" who are attacking us. We are being attacked by a coordinated left-wing machine at ALL levels, not just the "liberal" level. The Enemy attacks us in the GUTTER with his Communist HOODLUMS and GOONS. He has his open COMMUNIST leaders like Gus Hall and Banjamin Davis. Then he has a host of organizations which are FRONTS for the Communist Party. They don't CALL themselves Communists, but they operate under COMMUNIST DISCIPLINE. Then the Enemy has his "nice", "liberal" leaders, organizations and publications, such as the ADA, the "New Leader", and Norman Thomas. The Enemy has his LABOR leaders, like Walter Reuther. They also have their ZIONIST leaders, and their RACE-MIXING leaders. They have their CHURCHES. Finally, the Enemy has his Unitarian Jews and slicksters like Arthur Schlessinger and the Harvard Reds in the WHITE HOUSE.

When Joe McCarthy began to get in some good licks at this machine, it was not just the "liberals" who went after him. It was the WHOLE LEFT WING MACHINE, from the gutter Communists in Union Square and the Daily Worker to Ike in the White House. When the right wing tries to defend itself against this wide-ranging left wing with a ONE-LEVEL answer, the right wing is like a country which tries to defeat an invading army with an army of paymasters or an army of engineers. To fight ALL levels of the enemy apparatus, OUR SIDE NEEDS ALL LEVELS, TOO. The "conservatives" can oppose only the "liberals". Until the Advent of the American Nazi Party, there was NOTHING on our side to stand opposite the COMMUNIST PARTY! They have down on their level all their "fronts", with the hard "back" of the Communist Party and the Zionist organizations. Until the American Nazi Party was forged, our side was all "front" and no "back".

In addition to this glaring defect of the "one-level" approach of the "conservatives", there is also their utter lack of the spirit of ATTACK. The best defense is always ATTACK. Our side never attacks, and always retreats. This is because the Enemy is not just an ideology, but a gang of highly organized, ruthlessly disciplined REVOLUTIONARIES. They cannot be beaten by any ordinary political party, but only by fanatic COUNTER-revolutionaries.

When the "conservatives" are willing to operate as PART of the COUNTER-revolution, founded on the counter-revolutionary rock of American Nazism, they will be as effective as the "liberals" who operate on the "rock" of Marxism and Zionism. Until then, they are trying to jump up from a base of whipped-cream, and they get no place.

The "conservatives" are only ONE ELEMENT of the right-wing counter-revolution we must have to stop and defeat the left-wing revolution which operates at ALL levels, not just as "liberals".. We need ALL of us, too--Buckley, Welch, Fields and Rockwell.

Welch: Rockwell, you are clever at twisting words and swindling people. But you don't fool me. You are an AGENT, an agent provocateur. Your job is to enable the enemy to call ALL of us "Nazis" by association. You are actually either a conscious PART of the enemy apparatus, or you are being USED like a sucker. They are always SMEARING me, and other good patriots, with YOU and your accursed "Nazism"!

Rockwell: I know you sincerely believe that, Mr. Welch. I don't blame you for being frightened, since you never have taken the trouble to check me out for yourself and never stop to THINK about this charge. Now I ask you to THINK about it--consider the evidence, not hysterical fears.

There are two things terribly wrong with this charge.

First, as I showed in the beginning here, Nazism is the most EXTREME form of "right-wingism", and right-wingers should have no more terror of being connected with it than liberals have of being connected with Communists. Right now, pinkos, Zionists and peace-creeps of all stripes are all COOPERATING to get Morton Sobell, the convicted Communist Jew SPY, out of prison. They keep winning and knocking over the right wing because they are NOT afraid of the extreme form of their own side. They stick together, help each other and present a UNITED FRONT. The right wing, on the other hand, attacks ITSELF. Each leader and organization attacks every other leader and organization TO THE RIGHT OF IT. The "regular Republicans" attack Goldwater; Goldwater attacks Welch; Welch attacks the "anti-Semites" and the "racists" and the anti-Semites and racists are all busy attacking ME. The right wing is like a dog biting its own tail. I don't mind being the tail, but I resent being bitten by the "head".

Second, on the RECORD, we are never USED in the manner so feared by the right wing. While the John Birch Society, Schwartz, Hargis, Buckley, Phoebe Courtney and even the Black Muslims have been given huge publicity in national media and on TV, etc., magazines like "Life" and "Look" NEVER MENTION THE AMERICAN NAZI PARTY OR ME, if they can help it. I have never ONCE been on a national TV show like the others. If they had set me up as a smearer, why would I not be

on national TV, as have been all the others, boasting about my early connections with you, Buckley and Fields--and thus "smearing" you?

We are no more "agents" out to smear the RIGHT wing than Gus Hall is an "agent" out to smear the LEFT wing. Can you IMAGINE Walter Reuther blasting away at a public meeting at, say, the late Negro Communist, W. E. B. DuBois, for endorsing Reuther or coming to one of his meetings? On the contrary, when Alger Hiss was in trouble for SPYING for the Soviet Union, Eleanor, Acheson, Frankfurter and all the nice "liberals" refused to "turn their backs" on him and came to testify in his defense. On our side, all the nice "conservatives" are busy trying to help the enemy CREMATE me. How the enemy must laugh at us!

Buckley: I must admit, Mr. Rockwell, you are certainly a master of ratiocination. But your clever sallies do not cloud my mind. At a time when what we need is cool, calm deliberation and when we are being attacked on all sides as "extremists", what you are doing is acting like a wild FANATIC! You ARE preaching "hate", Mr. Rockwell, and it is SICK hate, just as the Jews, --er, --just as many people are saying. What we need is gentle moderation.

Rockwell: Mr. Buckley, you were too young to be in World War II, or the Korean War, as I was. But your magazine, National Review, is FULL of evidence of the evils of moderation. In World War II we went all out with fanatical HATRED of the enemy (White Christian people) and we WON. In the Korean War, traitors in Washington forced us to be "moderate", kept us from really HATING, as we did in World War II --because the enemy was atheistic COMMUNISM, and COLORED Communists. So we LOST. The same people who now preach moderation to us, preached just the OPPOSITE before, during and AFTER World War II against White, Christian GERMANS--and they are still doing it, twenty years after the war.

When we were fighting the ANTI-Communists in World War II, nobody preached any "moderation" to me. I was taught to HATE the Germans and the Japs, and I did. You simply cannot FIGHT the way you must in a fight to the death without PASSION and HATRED, whether we like that or not. We are not under attack by "moderates", but by the most fanatical and ruthless of revolutionary RADICALS. They boast they will BURY us, and they have slaughtered MILLIONS of us all over the earth. To preach "moderation" to men under the most deadly attack is to preach treason. You can't confine yourself to creampuffs, Bible verses and sweet reason when the enemy uses guns, lies, terrorism, subversion, perversion, street revolution, hate, black racism, threats, murder and all the rest of the arsenal of international Communism, Zionism and race-mixing.

The Enemy we face has shown again and again that he is willing and even eager to take beatings, go to jail, be called vile names--and even go to the electric chair, as did the Rosenbergs, for his side. He is and must be a fanatic, to be able to do that. We are losing, because we keep preaching "moderation" while he is fighting ALL-OUT. We will never get our people to make any kind of a stand against what is going on by preaching moderation. He has created inflamed masses of highly agitated blacks and Reds all over the world. They are willing to take enormous risks and accept stern discipline to bury you. If you persist in being "nice", undisciplined and cowardly, while they blast away at you with everything in the book, you will perish, and you will deserve to perish.

This is a War for Survival we are in. And there are only TWO sides in a war. Woe to the good-fellow who tries to sit on the fence in no-man's-land, for he shall be shot by BOTH sides.

No really great men in history, from Christ to George Washington, were "moderates"--but always "fanatics" for their cause. I am not ashamed to be a red-hot "fanatic" for my White Christian American Republic. You all should be too.

Welch: Well I don't mind admitting, in a way, Rockwell is right in this particular point. I am a "fanatic" in a sense, but not a madman like this Rockwell fellow. There is a certain point . . .

(The door bursts open and a little, round fat man bursts in, waving his arms) Hold it! Hold on!

Moderator: Just a minute, sir, who are YOU? What are you doing, bursting in here?

Fat Man: My name is Hargis, and I was watching this program in my hotel room. I couldn't stand it. I HAD to come here and stand up for CHRIST! All of you people are forgetting . . .

Moderator: Who is attacking Christ? I don't think even this dog, Rockwell, is doing that.

Hargis: Not attacking, maybe, but you are all leaving Christ OUT. Only CHRIST can win this fight!

Fields: Don't you DARE insinuate I'm not for Christ! I am a CHRISTIAN, sir! You . . .

Rockwell: Well I don't pretend to be a Christian, Gentlemen, but I am willing to die fighting to permit you to keep America a CHRISTIAN nation, which I think is good. I believe in a Supreme Being, but I am an agnostic. I am glad we have good Christians in America, and I am all for positive Christianity. But this business of palming off on Christ the fighting and suffering and sacrificing we should do ourselves is cowardly, I believe. Our forefathers who founded this great American Republic did plenty of praying, but they did more SHOOTING! You can't save America on your knees. If being good Christians will save us, then how do you explain the Communist victories in the most Christian nations on earth--Russia, Hungary, Poland and all the other devout Christian countries now being turned to atheism by Communism? . . . And on the other hand, I can think of only ONE country which was attacked by atheistic Communism and is still Christian--Spain. You, Mr. Buckley--you and your friends love to go to Christian Spain for vacations and to write. Have you so quickly forgotten who saved Spain for you? Have you forgotten how one of your Jewish "friends", Bernard Baruch helped finance the Abraham Lincoln Brigade of Communists from America to go and try to seize Christian Spain for atheistic Communism? Have you forgotten that it was Bela Kuhn (Cohen), the same Jew who led the Communist revolution in Hungary, who led the Communist revolution in SPAIN? Have you forgotten how your Yiddish Communist friends in Spain burned hundreds of CHURCHES, crucified priests, raped nuns, defecated on altars and gave plenty of evidence of their Jewish hatred of the same Christ they crucified. And do you remember the help the Lord sent the Spanish Christian people, the help which let them live and kept Spain Christian? Have you so soon forgotten, Mr. Buckley, that the Lord sent the ARMED LEGIONS OF ADOLF HITLER and BENITO MUSSOLINI to help the Spanish Christians stop the Jewish Communist destroyers and church burners? And Hitler didn't "conquer" Christian Spain, as he could have, or as the Reds would have done, either--he gave it to Christian Franco. Without the brave fighting men of Hitler and Mussolini; without the guns and bombs and airplanes of Nazi Germany and Fascist Italy, your beloved Spain, Mr. Buckley, would now be the Cuba of Europe. And if Hitler and Mussolini were alive today, Mr. Buckley, they would be doing what we should be doing, and they would have long ago run Mr. Castro into the sea and there would BE no "Red Cuba" --and no Oswald, no threat to America. . . . Yes, Mr. Hargis, prayer does help, but not when men like you do all you can to attack and destroy the forces sent by a Gracious Lord to help fight filth like Jewish Communism, Martin Luther King and the rest of that evil gang. The American Nazi Party, like Hitler and Mussolini before it, is the gift of the Lord to help you carry out your prayers for an end to Communism, hate and treason. Our good, Christian forbears for centuries knew what to do with anti-Christ TRAITORS, and I know what to do with them, and am fighting to do it. YOU, Mr. Hargis, and to a lesser extent, you other Christians, are doing everything in your power to destroy and harass the very force sent by the Lord to save Spain, and now sent to save America and our White Race! If all of you would quit preaching that I am some kind of "Jew" or Moscow "agent", and just leave me alone, I would very soon have the funds and the strength to run the whole filthy gang of traitors and race-defilers clear out of this once-beautiful America and save decency, Christianity and the White Race. Instead of that, however, you are all busy spreading hate and lies that I am an agent provocateur. What can the good Lord think of such stupid, ungrateful--and cowardly people?

(A dead silence falls on the panel. They stare straight ahead. Without moving or changing his fixed stare, Robert Welch speaks slowly.)

Welch: I think you are right, Mr. Rockwell. I am not a Nazi and don't think I ever will be. But I think you are RIGHT.

Fields: He IS right! I am not a Nazi either--but he is right. Maybe I SHOULD be.

Buckley: This IS rather disconcerting, you know. A bit upsetting. I think he ... (catching himself) But, ... but Roy Cohn and Willie Schlamm, --they (Schlamm rushes up and whispers in his ear) Schlamm--he, --why this is MADNESS. Here we are listening to a damned NAZI! Have we all gone MAD? Have we forgotten the gas-chambers, the ovens, the concentration camps, the agony of six million, six-MILLION fellow human beings? Have we forgotten ... the ...

Rockwell: Here we go again. Whenever you strike a telling blow against these filthy Jewish and Kosher conservative lies against Hitler and Nazism, these "intellectuals" bring out the violins, the gas-chambers and the onions to squeeze near their eyes. The fact of the matter is that in fifty years Communism has won an unbroken string of victories, except where it has been opposed by the defense mechanism of the White Race--the force you call "Fascism" or "Nazism". That's why the Jews and Reds hate "Fascism" so passionately. They hate Nazism for the same reason the devil hates Holy Water or the Cross. Prayers and arguments are fine. But in the end, fighting men, courage, guts, daring and attack WIN! That's NAZISM. And that's the way our forefathers won America at Valley Forge, not by holding private rallies, praying and taking up endless collections! We are building the human force to stand againt the full wrath of their Communist revolution, and we have been DOING it for five years, while you gentlemen have been damning us, starving us, hurting us and even joining the JEWS in attacking us.

Fields: Mr. Rockwell, you are right! We must stand together. I am still not convinced it is right to use the Swastika and name "Nazi"--but we must build a force, not a talking society. I think we should work together, at least quietly.

Rockwell: Thank you, Mr. Fields--and God bless you! When a few more show that kind of courage, it will be the beginning of the end for the Jews and their filthy nigger revolution and their Communism.

Welch: Well, I must admit, I had no idea of what your real sentiments were, Mr. Rockwell; there is a lot in what you say. I think ... (telephone rings--moderator answers)

Moderator: Hello ... yes, Mr. Weinbaum ... yessir, --certainly, Mr. Weinbaum, at ONCE! (Over the earpiece we can hear Weinbaum baming down the phone at his end.)

Moderator: Gentlemen! I have just received a telephone call from an authoritative source! Did you know, Mr. Welch, Mr. Buckley and Mr. Fields, that just before the program, this despicable Rockwell was seen reading a copy of the Communist "Worker"? Can't you see what he is doing? Mr. Weinbaum tells me that if you gentlemen persist in listening to the lies and hate of a creature like Rockwell, he will be forced to conclude you are anti-Semites and even NAZIS! Nobody will want to do business with Nazis, now, will they, you will ...

Buckley: I'M NOT A NAZI! NOT ME! I PUBLISH "NATIONAL REVIEW"! I LOVE JEWS. I LOVE NEGROES! I AM A PUBLISHER, NOT A NAZI! I'M NOT A NAZI!

Welch: (Subdued manner) I refuse to let Weinbaum intimidate me! I think ...

Buckley: The Birch Society ought to get rid of this madman, Welch. He's no better than Rockwell!

Moderator: (Rubbing hands) Yes, Mr. Buckley. I think most people will agree with you. I

know Mr. Weinbaum and other good patriots will be glad to know how you feel. We wouldn't want anything to happen to "National Review". We believe in freedom of the press! Thank you, Mr. Buckley!

Rockwell: Well, I am not going to be scared by Weinbaum, either. I suspect Weinbaum will get the gas in '72 after he is convicted of treason by a jury.

Fields: I'm with you, Rockwell.

Welch: Me too!

Moderator: My God! Just a minute; this is all wrong. You people are supposed to hate each other! Not US! Let me ask you a few questions, Mr. Rockwell; maybe I can straighten out this mess. I ask you to . . .

(Door bursts open and a fat little round Jew rushes in)

Jew: OI! It should come to THIS! I vill stop this filthy craziness. Mr. Weinbaum asked me to come over here and straighten this out! (aside to Moderator) Get out, you schmuck! These goy are getting together. I can smell dot gas ALREADY! Get OUT, OUT! OUT! (Moderator scrambles and stumbles out.)

Rockwell: Just who are YOU, sir?

Jew: Mine name is Harry Golden, and I am the beloved American writer. Everybody loves my friendly Jewish face and my nice American stories about the Lower East Side and mine saintly old mother with her silver hair! I can see her now reading Das Kapi - - - -er, --NOW, ve are goink to get the truth here, Rockwell. The way to do things in America is the American way. We don't have wild, radical movements, either on the left or the right. We work with the established political parties. That's how we Americans do it, you Nazi pig.

Rockwell: May I call you a JEWISH pig, sir, since you are so free with the cultural terms of that sort?

Golden: Shut up, you pig-eyed, runny-nosed, ugly Nazi . . . ! I am not insulting you, I am only telling you the truth, and the truth is that Americans like me use the regular political parties. We are not rabid, crazy extremists like YOU, oh YOU! (raging) You FIEND! I HATE YOU! HATE YOU! HATE YOU! HATE YOU (screaming) HATE! HATE! I . . . ("coming to") er, --now, Mr. Rockwell, I shall destroy you by the power of my brain. I am of the Jewish faith, of course, and we shall see whether a Nazi or a person of the Jewish faith shall prevail.

Rockwell: Am I to be permitted to answer, Mr. Golden, you wonderful, lovable, friendly American Jew?

Golden: Go right ahead, pig. I shall destroy you with a deft thrust when you are finished. (Aside) That schmuck of a moderator! Ve cut off his bar mitzvah for THIS mess!

Rockwell: Thank you, Jew. I shall tell you why we Gentiles, or Christians, can't work within any political party.

The fundamental problem of our times is RACE, the Jewish, atheistic race--Marx, the Rosenbergs, Soblen, etc. We are confronted by a worldwide uprising by COLORED PEOPLE, led by Jewish Communists and Zionists. It is not just in the USA. It is worldwide. The Blacks and dark people are being taught by Jewish preachers of "human equality and human dignity" that Whites are "colonialists", "exploiters" and "haters". Blacks are taught to think in terms of race, while Whites are taught that thinking in terms of race is evil--"hate". The result is a racial explosion which grows nearer and more deadly every day. It has already begun here.

No politician in office now, or with any present possibility of being elected, can do anything at all effective about any major problem, because, sooner or later every problem gets back to the fundamental problem of race. The Southern politicians

are willing to go so far as to mention part of this problem, the Negro problem, but not to risk anything for it. Many Southern Governors have said they would go to jail before one Negro would go to school in their states. There are Negroes in the schools, but not one governor has gone to jail. They always back down, because they are politicians. The other sid

enemy we are fighting is what you WANT, big government. It is centralization of government which is the enemy.

Rockwell: You are right, in a way, Mr. Welch. This is often so in normal times.

But these are NOT normal times! We are under a deadly, all-out attack, and we are almost whipped.

The enemy is organized into a criminal syndicate whose size is unmatched in all human history, and which is more ruthless, disciplined and clever than any tyranny ever set up. We have been losing to this criminal colossus at a faster and faster rate. Since World War II, millions and millions of human beings have been seized and enslaved or murdered, until the enemy now controls more than half of the earth, and has the other half so disorganized, confused and stupified that collapse is only a matter of a short time.

Under these conditions, we cannot afford the luxury of IDEAL government. We will have total slavery of Communism, unless we are prepared to DISCIPLINE and ORGANIZE OURSELVES. In other words, nobody wants army discipline, but we must have army discipline when attacked by an enemy army or be beaten.

What the Communists need and want is an atmosphere of UTTER PERSONAL FREEDOM, which they call "democracy". In this atmosphere, in which each man is the arbiter of his own "conscience", etc., they can operate their criminal, Communist conspiracy. That is the reason for the dedication of the Reds to "civil liberties", etc., and their eternal fights for more "rights".

What our side needs is what our founding fathers established for us, an authoritarian Republic--a regime of disciplined and restrained liberty under iron-clad LAW, led by strong and courageous MEN, not by politicians. That is what the American Nazi Party is for.

But most of the rest of you right-wingers are so frightened by "big government" that you are down on strong leadership, bigness and government. What is bad is not "BIG government", but any government in the hands of Reds, Zionists, weaklings, political opportunists, profiteers and traitors. That is what we have now.

The answer is not more "individual liberty", because that is precisely the atmosphere in which the Communist conspiracy can breed best. The answer is to eliminate the false "freedom" of our Jewish-style "democracy", and re-establish the authoritarian Republic designed by our forefathers--in which traitors are given short-shrift.

Those who bleat for more individual freedom and less centralized government are exactly like a city overwhelmed by a crime wave which gets rid of its police chief, and lets its policemen come and go as they please. Or, to use another analogy, we are under attack by the army of Communism, and the "right wing" recommends that our "army" be decentralized, that our "generals" be forbidden to exert their authority, and that our soldiers have the "right" to come and go as they please.

Golden: (Aside) Vat a smooth cookie! Maybe ve need Oppenheimer for this one!

Welch: Yes, (thoughtfully) yes, --there's sense in all that, Mr. Rockwell . . . But (with firmness) your methods, your methods are absolutely abominable. Your rowdy tactics, your ruffians--and that Swastika! --and that name, "Nazism", --that means Socialism, you know! And we all know what Socialism is! The enemy itself! No, Mr. Rockwell, I cannot go along with your methods, name and your AWFUL SYMBOL! (Golden smiles and rubs hands gleefully)

Rockwell: I can thoroughly understand how you and the others feel, Mr. Welch. I once felt the same way. You must remember I went out from Brown University to fight Hitler, because I felt that way so strongly. But I have since learned.

You gentlemen are forever saying that "the truth will make us free", and there is some truth to that, providing brave men are willing to fight for that truth. But let me ask you how you expect to get the truth to the masses of people, with the enemy in absolute and total control of all our methods of reaching people, TV, newspapers, radio, movies, magazines, books, etc. I tried being a "conservative" for more than eight years--and discovered nobody cared. We got out millions of pieces of literature to each other; we had hundreds of rallies, for each other; and we talked endlessly, to each other. To reach the masses of people, you need TV networks which reach tens of millions with force; we need giant newspaper combines; we need radio networks; we need movie studios, book publishing companies--and all the rest. And even the biggest of us--you, Mr. Welch--reach only an infinitesimal fraction of a percentage of Americans with your "truth" in "American Opinion" or your literature. With all your millions, you can't compete with just ONE broadcast by Hambone Huntly and Isadore Brinkley. I made up my mind five years ago that we MUST reach the masses, and the only way to do it was to force the Jews to put our stuff on their billion-dollar networks of broadcasting, printing and publishing. And I've DONE it! Millions of Americans now know there is at least ONE man in America who uncompromisingly stands for killing traitors, Jews and Gentiles alike, and separating the Black people from the White. Millions of Americans heartily wish for those things, and NO politician, not even most of you "right-wingers", dares to offer them those things. But I have forced the Jews to make my fellow countrymen aware of where I stand. In their hearts, they stand there, too, the masses of White Christian Americans. They are too scared now, and too happy with their luxury, prosperity and easy living to dare say what is in their hearts. But race-war is already underway, and our government is already printing worthless paper money. Economic catastrophe, which we have been predicting, is not far behind.

When the economy blows, as blow it will, and when Negroes have jobs and Whites are jobless and hungry; when Jews are rich and Gentiles are grubbing for crumbs, the masses of ordinary folks will remember the IMAGE I have created of rock-like opposition to what is going on. They will not want any "moderate" to lead them; they will want all-out WAR against the traitors, race-mixers and destroyers of our race, religion and culture. The Birch Society and the NSRP may be too "strong" for the average American NOW, but in five years, these groups will be too WEAK, too milk-toast for the wants and needs of our people. I am "raising a standard to which the wise and honest may repair", in the words of George Washington, and, when America suffers the blast of Red revolution, our people will "repair" to that standard by the millions and millions. There will be no place else to turn!

Fields: Rockwell, you're RIGHT!

Welch: I agree! We SHOULD be Nazis!

Golden: (Screaming) Nazis! Nazis! It must NEVER HAPPEN AGAIN! HATE! HATE! (Foaming at the mouth)

Buckley: Gracious! Gracious ME! This Jewish fellow is really, --well, I hardly know WHAT to say!

Rockwell: How about "Heil Hitler!"

Buckley: (Carried away) Yes! HEIL HITLER! Heil HITLER!

Welch & Fields: (Also carried away) Hurray! Gas the dirty Communist Jews! Out with the niggers! HEIL HITLER!

Golden: (Falling on the floor, beating with his fists and kicking the floor) HATE! HATE! It's happening AGAIN! ALL OVER AGAIN!

ALL: Sieg Heil! Seig Heil! Seig Heil! (Exeunt, Welch, Buckley, Fields and Rockwell, arm in arm)

NIGGERS PULL WHITES DOWN TO GET EQUAL

I have finally figured out why American women are being driven to do up their hair in such ugly "styles", i.e., "bee-hive", "Italian", etc.

The poetic beauty of a lovely White girl's hair flowing gracefully about her neck and shoulders is something nigger women can't equal. No matter how much chemical "straightener" and bear-grease they put on that ugly animal wool, a nigger woman's hair is AWFUL--it isn't even hair! They just CAN'T be equal in this hair business.

So, with the usual liberal, Red, Jewish and Commie approach, what they can't "equal" by reaching UP--they PULL DOWN. The niggers can't "equal" White women's hair. But if they can get the WHITE women to do up their hair in a way NIGGERS can equal, then the niggers ARE equal. And the stupid, suicide-bent White race can't WAIT to crawl down among the niggers with nigger hair-dos, listen to nigger "jazz", and do the "twist". In these things, the niggers aren't our "equals"; they are our SUPERIORS. The Jews have laughed to scorn all the WHITE MAN'S culture, the waltz, the minuet--even the "square dance" has given its very name to everything supposedly rotten and "corny" in America (everything WHITE and GENTILE). And so, because men like Goldwater, Welch, Hargis and Buckley won't face up to the RACE problem, and cuss me and lie about me for daring to mention it, ALL of us must watch our culture and our women truned over to black savages financed and led by Jewish perverts and Reds.

It is the same with "abstract art", of which Jewish Communist Picasso is the granddaddy. It takes genius, training and HARD WORK to paint like the "square" masters of more sane times. Today, any cannibal, fresh from the jungle, can "equal" the monstrous "art" of our times.

Once again, when Jews and Communists can't reach UP to be "equal", they pull their betters DOWN.

The same thing goes for screw-ball poetry, of which the Jewish-Communist lesbian, Gertrude Stein is the "leader" (A Rose is a Rose is a Rose). Since Jews and cannibals can't write poetry to equal that of Lord Byron or Shakespere, then poetry must be brought down to a level where their "A Rose is a Rose is a Rose" IS poetry.

And all of this is put over on the Gentiles by JEWISH MONEY POWER. No artist or poet or philosopher can be HEARD today, if he doesn't bow down to Jewish "equalism". Jewish businessmen use their BUSINESS control of our media of information and entertainment and their control of museums, etc., to see that NON-Jewish type REAL art and poetry, etc., is blacked-out, while Picasso, Epstein and Stein are enshrined as geniuses!

WHO HATES?

The whole difference between the two major ideologies of our times can be seen in the SALUTES of the two world-views.

The Communists, who claim WE are "haters", salute with the ultimate gesture of HOSTILITY--the CLENCHED FIST! Can you think of any gesture more violent, hostile and bitter?

The "Nazis", on the other hand, salute with a gesture which originated as a proof of FRIENDLINESS. When two of our Roman and Greek forbears met in ancient days, and they were friendly, they raised their sword arms to each other with the hands open and palms toward each other to show they held no weapon. This is the so-called "Fascist salute". Can you think of any gesture more OPEN, UNhostile and out-going?

Yet the Jews, the authors of the Commie clenched fist salute, have managed to REVERSE public opinion with their eternal "hate" movies, TV shows, magazine articles, etc., against Nazis, while Commies are always pictured as perhaps slightly mistaken but well-meaning LOVE mongers.

The TRUTH is betrayed in the salutes of the two doctrines.
